Craig's Notes

June has truly been a blessed month at First Baptist Church. Weekly, we are seeing more of our folks back in the pews after the trials of the Co-vid virus. The children have been active with Sunday School and Wacky Wednesday as well as enjoying sno-cone Friday at the end of the school year. The youth have already been to Centrifuge, and even the Senior Adults have been active with homebound visitation and with the blessing of having Bro. Jerry Penfield speak for our monthly meeting. We were blessed to welcome new member Sarah Vincent on profession of faith, and we were privileged to witness the baptism of Mackenzie Murray.

I want to thank those who aided in worship during the month of June. Thanks to our amazing technical team as well as to the adult choir who sang so beautifully. Also, thanks to the duet of Elizabeth Cyr and Crystal Rector; the Quarantine Quintet consisting of Elizabeth Cyr, Bro. Sean, Daniel Arnold, Jackie Simms, and myself; as well as soloists Leslie Moore, Sean Slate, Elizabeth Cyr, and Grant Blackwell. In addition, I thank Bro. Richard Debusk for an amazing message on Father's Day, Dustin Smith for a superb job with the Sunday School for the men's breakfast, and Grant Blackwell for an outstanding job leading worship on that day. Special thanks go to the ladies who prepared the Father's Day Breakfast as well as to instrumentalists Elizabeth Cyr and Daniel Arnold and Sean Slate (leading worship). Thank you for offering yourselves in the Lord's service.

We did witness a couple of sad departures in the last month. First, Mrs. Mary Barrington retired from our daycare after 34 years of service. We all thank her from the bottom of our hearts and wish her the very best in retirement. Second, another of our soldiers has heard from Uncle Sam that it is time to relocate. Daniel Arnold, who has served at FBC in the music program, as a Sunday School teacher, and as a deacon is being trained as a Drill Sergeant and will officially relocate when his training is done. His wife, Erica, and kids, Korbin, Karter, and Karley will move to Alabama at the end of July. Words cannot say how much our church will miss this family, but our love and prayers will go with them. Thank the Lord for how He has used them in our midst and may they continue to make a difference for His kingdom.

Special thanks to all who were praying for the youth as they attended Centrifuge. It was a blessing to see our own Baylor Dillon serving on staff. He is setting an example even for veteran staff members, and some of the things he is doing to reach the kids is even being used as an example in the youth minister's roundtable. This camp was invaluable to our own group after a year of separation, and it was good to see the grouping uniting. We were especially glad to see one of our youth come to know Christ. Please continue in prayer for Bro. Sean and the youth as they continue striving after what the Lord has begun in them. The Centrifuge report will be in the evening worship service of July 18.

Can you believe that at this point, it has been two years since the voices of VBS'ers blessed the halls of FBC? Lord willing that will end this month. VBS 2021, CONCRETE AND CRANES will be July 12 – 16; 5:30 to 8 PM. If you would like to work, contact Deedee Slate, and if you would like to register a child, please contact the church office. It is going to be a great week.

Also, please be in prayer for our kids as they leave for RA and GA camp on July 19-22. I know students and chaperones can hardly wait.

Finally, I want to express condolences to Lee Brown and family on the homegoing of his mother, Kay Brown. Kay was a long-time member of FBC Leesville, and a faithful and much loved member of the FBC Adult Choir as well as the small ensemble. May God continue to comfort her family in days to come. In addition, condolences are offered to Doris Werner, Tammy Blackwell and family and Debbie Werner and family in the homegoing of their cousin, Susan Werner Tylock. Please continue to remember them all in prayer.

May God bless you all more abundantly than you could ever hope or expect.

Dear Sisters of the WMU,

Hello! My name is Jennifer Cummings and I am working with The Mandate and Rhonda and Christian.

Thank You so much for your generous donation to the Water Well Project in Uganda. The wells bring life-giving water to so many people in remote areas. This project also allows us the opportunity to bring the ultimate life-giving message to the villages that are our neighbors.

I would Love to visit with you all at one of your meetings or during a missions fair if you have one a First Baptist Church, in Leesville.

Please reach out if you ever have any questions or concerns. Thanks again for your support and prayers.

In Christ,

Jennifer Cummings, The Mandate
