# Craig's Notes

And just like that the school year is over. The kids have had Co-vid days, Hurricane days, Snow days, and flood afternoons, but God has been good, and the second weirdest school year I can remember is over. Thank the Lord, we have been able to hold somewhat regular graduations, have gotten to watch sporting events, and with God's grace, will be able to hold Vacation Bible School and take kids and youth to camp this year. I am asking everyone to please remember in prayer our youth and children's ministries this summer. There is no time of year like this when churches have open opportunities to pour the love of Christ into the lives of our young folks. Pray for young people, pray for workers, and pray for the gospel to be freely shared and understood.

I want to thank everyone who participated in and who prayed for the "Light the Night" event. Several folks who were not part of our church stopped by and we were able to speak to them about their relationship to Jesus. The participation of our church folks was fantastic, and I think it was good for our working together to share the gospel. Special thanks to Robert Pynes, Roger Rolon, and Loretta Poe for chairing the various aspects of that ministry. Thanks to Oscar Joiner, Charles Owen, Daniel Arnold, and Crystal Rector for sharing testimonies and to Grant Blackwell, Chelsea Forque and Johnnie Dunn for leading worship. Our next evangelistic event will actually be before you get this Newsletter. We will have a drive thru sno-cone stand giving out free sno-cones after school on May 28, trying to share the gospel with families as they are in line and promoting VBS and Wacky Wednesday. Keep on the lookout for an event in June or July.

I am so happy that we are going to be able to have the Memorial Weekend Picnic this year. You may or may not receive the newsletter before the event, but I want to say a big word of thanks to our Activities Committee for their work. We are all indebted to them.

I also want to thank those who have aided in worship during the month of May. Thanks to our wonderful technical team who works hard every week. Thanks to instrumentalists and worship leaders, Elizabeth Cyr, Daniel Arnold, and Sean Slate. Also, thanks to our team on Special Music, the adult choir; Leslie, Canaan, and Jaspar Moore; Laura Tuck; Grant Blackwell; The Quarantine Quartet; and Generations Quartet. In addition, thanks to Andrew Forque for speaking for Baylor Dillon's Commissioning service. Thank you all for offering yourself to the Lord's Service.

Please do remember to be praying for Baylor Dillon as he is serving the Lord at Centrifuge Camps at North Greenville College in Tigerville, SC this summer. By the time you receive this newsletter, he should already be on site. We will miss him here in Leesville this summer, but know that he is making a difference for God's kingdom where he will be serving. Also, please be remembering our youth as, on June 14-20, they will be attending the camp where Baylor is serving.

On Father's Day, we will be welcoming Brother Richard Debusk as guest preacher in the AM service. Bro. Debusk is a gifted preacher, a retired SBC pastor and is the father of Jana Endris (Jana is Leonard and Rinkie Endris' daughter-in-law). I will be out that day as I am driving the bus for the youth from camp. Grant Blackwell will be leading music. As Awana has wound down for the Summer, we will have some exciting things going on for our children. On Wednesday Nights, Wacky Wednesday is back for every Wednesday up until Labor Day. Each week we will have Bible Study, Recreation, Refreshment, and Music. Every night will have a special theme. In June these themes will be: June 2 – End of School- everybody wear school colors and bring a pic of your favorite teacher, school worker for our Hall of fame wall. June 9 – Super summer Kickoff – Come dressed as your favorite super- hero; June 16 – Western Night come in your western gear; June 23 -Cajun Night- Celebrate LA history by dressing as a cajun; June 30 – I'm proud to be an American Night – wear your red, white and blue; July 7 -Beach Bum night- Come dressed in shorts and beach shirts for beach fun games. I will be doing the Bible Studies so that the guys who work with the kids all year can get a break and will be giving the Adults a break on Wednesday nights by having special guests leading Bible studies. The bible Studies on April 2 and 9 will be led by Daniel Arnold as he teaches Romans 5.

Homebound visitation will be on Thursday, June 10 at 9 AM and the regular DMA Meeting will be on Thursday July 24. Senior Adults and retirees, I hope to see you there.

I want to express Christian Sympathy to Levean MARze and family in the homegoing of her aunt, Lelia Harrington, as well as to Linda Brady and family in the homegoing of her mother, Hazel Bush. In addition, I want to express Christian sympathy to Phylliss Hennessee and family in the homegoing of her husband, Dr. Mike Hennessee, a faithful member and deacon of FBC. Please continue to pray for these precious families in days to come.

Finally, be looking for a special patriotic service which will be held on July 4 to be followed by the Independence Day Picnic as we celebrate God's Faithfulness to our Nation.

May God bless you all more abundantly than you could ever hope or expect.
